

# HOLBROOK PUBLIC SCHOOL

## School Uniform Policy

### Purpose:

- To provide a standard, practical, cost-effective uniform with which all children can associate and wear with pride; and
- To respect the views of school staff and community members in providing a uniform for students to wear.

**Date:** October 2009

### Implementation:

- The wearing of the correct School Uniform at all times at Holbrook Public School has been endorsed by the School Council and the School P&C Association and will be enforced by the School Principal.
- It is expected that students will bring a note to explain their reason for being out of School Uniform. Students continually out of School Uniform will be spoken to by the School Principal and their parents contacted, and may eventually be withdrawn from representing the School, including sport, and participating in school activities.
- The school does have a School Uniform Shop and uniforms are available at extremely moderate prices. It is hoped that parents will endeavour to dress their children in the School's Uniform and that children will wear it with pride.

### Evaluation:

- School Uniform Policy is to be evaluated each time the Student Welfare and Discipline Policy or School Information Book is revised or as necessary to meet the requirements of the school and community.

### Memorandum:

- NSW Department of Education School Uniform Policy (PD/2004/0025/V001)

- Students who leave the school and no longer require uniforms will be encouraged to donate them to the second-hand section of the School Uniform Shop.
- Students are to wear normal school uniform on all days other than those when the sports uniform or a 'mufti/non-uniform' day has been advertised.
- Students who fail to comply with the uniform code will be asked to comply under the Student Welfare and Discipline Policy.
